Em7 **C sus**
Storms and fire, they precede him, He's shaking the earth

Em7 **C sus**
Gentle whispers, they follow, they follow

Em7 **C sus**
Raging tempests consume him, twisting and turning

Em7 **C sus**
towers of incense the billow, wrapping around him

G* **C sus**
When YHWH passes by

Em7
Look away, look away from his face

C sus
The Lofty One

Look away, look away

G* **C sus**
When YHWH passes by

Em7 (Csus, Em7, Csus)
He'll take your breath away

* follow this progression during chorus from G sus to C sus
